"Working together to provide a safe, inclusive learning environment where all are valued respected and encouraged to achieve their very best.

Challenges are met with determination and welcomed as opportunities to flourish and grow."

Dear Parents and Carers,

Yesterday our "Lock Down" drill was highly successful. The children were very calm and understood what to do when our safety alarm rang. We were delighted to see so many visitors at the MacMillan Coffee Morning last week, a huge thank you to those who attended and sent in so many delicious cakes.

This half term we have welcomed many new families to our school. We do still have a few spaces in our Nursery for children turning four between now and August 2019.

We look forward to seeing you all at the Parent Teacher consultations on Wednesday 17th October 2018. Remember to book your appointment using the online link that you have been sent.

TOP TIPS

Dealing with inappropriate 'Recommended' and 'Up Next' videos on YouTube

YouTube is a great online resource with lots of fantastic, free learning videos. But sometimes the videos that are listed in the 'Recommended' and 'Up Next' sections are NOT SUITABLE. They are the result of algorithms which sit in the back ground looking at what you are searching for and looking at.

There are a few things you can do to help what is listed

Go to the YouTube Home page and at the top you will see the recommended videos. You will see 3 little dots at the middle right of each video. For any you don't want, click on the dots and click 'Not Interested' You can then say why.

Have a look through the YouTube history with your child every so often to see what they have watched in the past. Just go to youtube.com and on the left hand side (or at the bottom if you're viewing via an app), click on 'History'. For any that are inappropriate, just click on the X.

To completely reset everything forget the steps above and simply click on 'Clear all Watch History' and 'Clear all Search History'. Remember: this isn't a solution, you will have to repeat this every so often.

SPORTS EVENTS

Football Match

Waulud Primary School played their 1st match on Wednesday against St Matthews Primary School. Our football coach, praised the boys for their excellent team performance throughout the match.

Netball Match

Waulud Primary School played their 1st match on Wednesday against St Matthews Primary School. The girls developed great teamwork and continued to improve throughout the match.

Scooters that have been left on the premises need to be collected, or they will be disposed of.

Sickness Absence

If your child is absent from school due to sickness, this must be reported to the school office by 10am every day your child is absent.

If your child is absent for 5 consecutive days you will be required to provide the school with medical evidence, this can be a note from the doctor or we would like to see the medication your child has been prescribed, when they return to school.
