NEWSLETTER 12

8th March 2019

"Working together to provide a safe, inclusive learning environment where all are valued respected and encouraged to achieve their very best.

Challenges are met with determination and welcomed as opportunities to flourish and grow."

Dear Parents and Carers,

Thank you for your support once again yesterday 'World Book Day'. It was wonderful to see the children in their creative costumes. We all had fun guessing the book characters.

Next week is going to be busy, on Tuesday we have Knife & Packer our visiting authors with us. They will be providing workshops for the children throughout the day. Whilst here they have kindly agreed to officially open our new learning resources room. We are delighted that our children will now have the opportunity to research chosen topics as a class using books, laptops, ipads, interactive white board and a plasma show and share screen.

We will also be celebrating Comic Relief Day early on Thursday 14th March as we are closed for training on Friday.

REMINDER

We are closed for INSET DAY on
 Friday 15th March 2019.

Bikes and Scooters

If your child rides their bike or scooter to school in the morning, they may leave them in the bike park, which is located to the right of the main school reception door. Bikes or scooters MUST NOT be ridden on school premises.

Thank you.

Computing and Online Safety TOP TIPS

Dealing with inappropriate 'Recommended' and 'Up Next' videos on YouTube

YouTube is a great online resource with lots of fantastic, free learning videos. But sometimes the videos that are listed in the 'Recommended' and 'Up Next' sections are NOT SUITABLE. They are the result of algorithms which sit in the back ground looking at what you are searching for and looking at.

There are a few things you can do to help what is listed

Go to the YouTube Home page and at the top you will see the recommended videos. You will see 3 little dots at the middle right of each video. For any you don't want, click on the dots and click 'Not Interested' You can then say why.

Have a look through the YouTube history with your child every so often to see what they have watched in the past. Just go to youtube.com and on the left hand side (or at the bottom if you're viewing via an app), click on 'History'. For any that are inappropriate, just click on the X.

To completely reset everything forget the steps above and simply click on 'Clear all Watch History' and 'Clear all Search History'. Remember: this isn't a solution, you will have to repeat this every so often.
