8<sup>TH</sup> JUNE 2018

*"Working together to provide a safe, inclusive learning environment where all are valued respected and encouraged to achieve their very best.*

*Challenges are met with determination and welcomed as opportunities to flourish and grow."*

Dear Parents and Carers,

This half term is going to be busy. Our children in both keystage 1 and keystage 2 enjoyed our movie nights this week. The successful fund raising events will raise approximately over £500. Thank you to the school council for organising these events. Ruby House were the champions last half term, gaining the most house points. As a reward they had an exciting afternoon participating in parachute activities. A great time was had by all. Congratulations Ruby. Many exciting events have been organised for this term, starting next week with a visiting theatre group performing the secret garden. Waulud Primary School are participating in numerous sporting events and competitions across the town. We wish them all good luck.

Mrs Devereux  
Headteacher

Mrs Mehmood and Mrs Savage would like to give a Waulud Award to all of Year 6 pupils for showing determination, resilience and a positive mindset throughout SATS week. Super Effort!!!!

A reminder that it is important for your children to be on time for School. When pupils arrive late, they miss out on essential instructions given at the beginning of the lesson. This can significantly reduce achievement, regardless of academic ability. Your child may also feel awkward arriving to the classroom when everyone else is settled. Furthermore, when one pupil arrives late, it disrupts the entire class and the teacher – everyone's education is compromised.

**IF IT'S YOURS PUT YOUR NAME IN IT!!**

**Lost Property**

A huge number of unnamed school jumpers and cardigans have found their way to our lost property. Please ensure your child's uniform is labelled clearly.

**Chicks**

Just before the half term break, living eggs arrived in Year 2. Our pupils looked after the chicks, finding out about the needs of the chicks, what they eat, how they feed, the life cycle and especially how the chicks grow and change so quickly over two weeks. The children were very excited and thoroughly enjoyed the experience.

**Computing and Online Safety**

**TOP TIPS**

Dealing with inappropriate 'Recommended' and 'Up Next' videos on YouTube

YouTube is a great online resource with lots of fantastic, free learning videos. But sometimes the videos that are listed in the 'Recommended' and 'Up Next' sections are NOT SUITABLE. They are the result of algorithms which sit in the back ground looking at what you are searching for and looking at.

*There are a few things you can do to help what is listed*

Go to the YouTube Home page and at the top you will see the recommended videos. You will see 3 little dots at the middle right of each video. For any you don't want, click on the dots and click 'Not Interested' You can then say why.

Have a look through the YouTube history with your child every so often to see what they have watched in the past. Just go to youtube.com and on the left hand side (or at the bottom if you're viewing via an app), click on 'History'. For any that are inappropriate, just click on the X.

To completely reset everything forget the steps above and simply click on 'Clear all Watch History' and 'Clear all Search History'. Remember: this isn't a solution, you will have to repeat this every so often.

**Mulberry Court Visits**

Some of our year 5 and 6 pupils have had the opportunity to visit Mulberry Court to take part in reading sessions with the residents. As always our pupils were fantastic ambassadors for our school and demonstrated the Waulud Way.

**SCHOOL PARKING**

Concerns have been raised about parking around the school at peak times. Examples of poor parking have included blocked pavements, obstructed driveways and garages, parking over dropped curbs and other access points. This seriously increases the risk of harm to our children trying to safely cross the road, as well as causing access problems for local residents.

Please do not park or pull over to drop children off:

- in front of school entrances, the pedestrian or car park gates
- driveways
