

*"Working together to provide a safe, inclusive learning environment where all are valued respected and encouraged to achieve their very best.  
Challenges are met with determination and welcomed as opportunities to flourish and grow."*

Dear Parents and Carers,

It is always with great pride that we celebrate our many successes at Waulud Primary School, we believe it is important to share this good news with whole school community through our regular newsletters and our weekly Celebration Assembly. In addition this week our family workers have been promoting all the support provided for our pupils and their families.

Mary Hussey attended "Level Trust Uniform Exchange" official opening in The Mall, Luton and was interviewed by Three County Radio. Gill Fujino attended the "Place 2be Annual Conference, in London, where the Duchess of Cambridge addressed the delegates.

Our recent inspection went well and gave us yet another opportunity to share our many achievements. A copy of the letter we received from Ofsted is going home with your child today. We are delighted Waulud Primary School continues to be "Good"

Headteacher

### Computing and Online Safety TOP TIPS

Dealing with inappropriate 'Recommended' and 'Up Next' videos on YouTube  
YouTube is a great online resource with lots of fantastic, free learning videos. But sometimes the videos that are listed in the 'Recommended' and 'Up Next' sections are NOT SUITABLE. They are the result of algorithms which sit in the back ground looking at what you are searching for and looking at.

#### There are a few things you can do to help what is listed

- Go to the YouTube Home page and at the top you will see the recommended videos. You will see 3 little dots at the middle right of each video. For any you don't want, click on the dots and click 'Not Interested' You can then say why.
- Have a look through the YouTube history with your child every so often to see what they have watched in the past. Just go to youtube.com and on the left hand side (or at the bottom if you're viewing via an app), click on 'History'. For any that are inappropriate, just click on the X.
- To completely reset everything forget the steps above and simply click on 'Clear all Watch History' and 'Clear all Search History'. Remember: this isn't a solution, you will have to repeat this every so often.
