"Working together to provide a safe, inclusive learning environment where all are valued respected and encouraged to achieve their very best.

Challenges are met with determination and welcomed as opportunities to flourish and grow."

Dear Parents and Carers,

A little sunshine can make all the difference. The summer term has started very well, our pupils are busy both inside school and on wonderful visits outside of school. Our year 1 and year 4 pupils finally went to the theatre to see "The Owl and the Pussycat". They have waited very patiently since their trip was cancelled back in December. Year 1 and 2 pupils have recently had a wonderful day at Shuttleworth Museum. And we welcomed Safari Stu back this week to visit our reception pupils..

Year 6 pupils have been working hard in preparation for the SATs and show a great determination to do their very best next week. Well done to all our Year 6 pupils and we look forward to welcoming them to Year 6 Breakfast Club next week at 8am.

SCHOOL PARKING

Concerns have been raised about parking around the school at peak times. Examples of poor parking have included blocked pavements, obstructed driveways and garages, parking over dropped curbs and other access points. This seriously increases the risk of harm to our children trying to safely cross the road, as well as causing access problems for local residents.

Please do not park or pull over to drop children off:

- in front of school entrances, the pedestrian or car park gates
- driveways

Up Coming Events

Monday 14th May – Thursday 17th May
SATS week for year 6

Thursday 17th May
Royal Wedding Day Lunch – non uniform day, red, white and/or blue

At last the sunshine has arrived! Please ensure your child has a sunhat with them. Sun cream should be applied at home before school and there is no need for sunglasses to be worn.

TOP TIPS

Dealing with inappropriate 'Recommended' and 'Up Next' videos on YouTube

YouTube is a great online resource with lots of fantastic, free learning videos. But sometimes the videos that are listed in the 'Recommended' and 'Up Next' sections are NOT SUITABLE. They are the result of algorithms which sit in the back ground looking at what you are searching for and looking at.

There are a few things you can do to help what is listed

Go to the YouTube Home page and at the top you will see the recommended videos. You will see 3 little dots at the middle right of each video. For any you don't want, click on the dots and click 'Not Interested' You can then say why.

Have a look through the YouTube history with your child every so often to see what they have watched in the past. Just go to youtube.com and on the left hand side (or at the bottom if you're viewing via an app), click on 'History'. For any that are inappropriate, just click on the X.

To completely reset everything forget the steps above and simply click on 'Clear all Watch History' and 'Clear all Search History'. Remember: this isn't a solution, you will have to repeat this every so often.
