Dear Parents and Carers,

We have been delighted that our recent workshop 'Keeping Up With Your Childs Maths' has been so well attended by our parents. It has been a great opportunity for the parents to work closely with their children and to learn more about our maths curriculum. We look forward to welcoming more of you to future workshops.

Wishing you all a restful half term break.

Mrs Devereux  
Headteacher

As a school we will be working closely with the Education Welfare Officer to monitor punctuality next half term. Please ensure you are on time for school. When pupils arrive late, they miss out on essential instructions given at the beginning of the lesson. This can significantly reduce achievement, regardless of academic ability. Your child may also feel awkward arriving to the classroom when everyone else is settled. Furthermore, when one pupil arrives late, it disrupts the entire class and the teacher, everyone's education is compromised. Punctuality is important both at the beginning and at the end of the day.

	Reception/KS1	KS2
Playground	8.50am	8.40am
Class Start	9.00am	8.50am
Finish	3.15pm	3.20pm

### Reminder

Please note that mobile phones are not to be brought into school, unless a specific arrangement has been made between parents and school – e.g. your child travels to/from school on public transport on their own.

Bicycles and scooters are being left on school premises for long periods of time. Please do not dispose of these in either the bike or buggy/pram shelters at school.

Thank you for your cooperation.
