 Challenges are met with determination and welcomed as opportunities to flourish and grow."*

Dear Parents and Carers,

Our latest attendance figures have shown a huge improvement. Our target this year is 96% and we are delighted to inform you that we are currently at 96.12%. Well done, this has been achieved through home/school 'team' work.

May I take this opportunity to remind you that children should not be staying at home because they are taking a course of antibiotics.

Everyday missed results in missed learning.

Dear Parents,

I am writing to you on behalf of the Dental Wellness Trust, a UK charity which aims to provide oral health education programmes for children. DWT works closely with local communities to raise awareness of the importance of dental health amongst families and raises funds to support oral health programmes in communities where they are needed.

As part of our ongoing work, we have devised a **Children's Dental Health Parents' Survey**, which we hope will help us understand more about children's current habits such as tooth brushing, as well as other factors which might affect their oral health. I'd really appreciate it if you can spare a **maximum of 6 minutes to complete the survey**, which we are sending to a cross-section of UK parents. Your valuable information will help develop future oral health programmes for families.

Please click on this link to start the survey: [https://www.surveymonkey.co.uk/r/DWT\\_Parents\\_March\\_2019](https://www.surveymonkey.co.uk/r/DWT_Parents_March_2019)

School Website

We are currently working with The Mustard Agency to design our new school website. We aim for this to be informative for all parents and pupils and easy to navigate.

Have your say. What would you like to see on the school website.
