*" Working together to provide a safe, inclusive learning environment where all are valued respected and achieve their very best.
Challenges are met with determination and welcomed as opportunities to flourish and grow. "*

Dear Parents and Carers,

We are continuing to ensure the safety of our pupils and security of our school site with the automation of the main gates. We are hoping this project will be complete when school re-opens after the Easter holiday.

The teaching staff have been working hard preparing the pupils annual reports, which will be shared with you at the forthcoming consultation evenings. We look forward to welcoming you into school on either the 29th or 30th March to meet with your child's teacher. We believe a positive working partnership between home and school ensures the children will achieve their best.

TOP TIPS

Access to Free WiFi is growing but how do you know that when you and your children connect to it that is automatically filtered? The Friendly WiFi symbol has been created in collaboration with The UK Council for Child Internet Safety (UKCCIS), initiated by Government and WiFi providers after concerns were raised by leading child safety charities that children and young people were being put at risk of viewing and accessing inappropriate material when using public WiFi. The 'Friendly WiFi' symbol is designed to help children, young people and adults know that the WiFi they are connecting to is filtered and independently accredited. So next time you are out and about think before you and your children connect to the WiFi. Look out for the The Friendly WiFi symbol. Visit www.friendlywifi.com to find out more.

Attendance Class

Champions

Congratulations to 2W for their super attendance last week, achieving 99.20%.

The National average for attendance is 95%. As a school we know we can do better and have a set target of 95.5%, we hope you will work with us to achieve this.
Thank you
