"Working together to provide a safe, inclusive learning environment where all are valued respected and achieve their very best.

Challenges are met with determination and welcomed as opportunities to flourish and grow."

Dear Parents and Carers,

We have had a busy half term so far. Our school choir attended the Singing Spectacular held in Stopsley Baptist Church. They thoroughly enjoyed the experience of singing to such a large audience. I am sure you will join us in extending our thanks to Mrs Frost, Mrs Fujino and Mrs Hussey who accompanied the children.

There are many varied school trips organised for this term which will enhance the children's learning and enable them to have those unforgettable firsthand experiences. Our Year 4 pupils have been to Mountfitchett Castle, Year 6 went to Whipsnade Zoo. Finally, last Thursday was Transition day. The pupils spent time with their new teachers, the day was a huge success.

100% Attendance Achieved

All the children who have achieved 100% attendance for the full academic year will be awarded a gold star certificate at our end of year assembly. We would also take great pleasure in rewarding those amazing children who have not missed a single day of school with a trip to the Bowling Alley accompanied by staff during the school day. Details to follow shortly.

With the support of parents/carers of Waulud Primary School pupils, we are very pleased to announce our attendance this summer term has increased to 97%, we are ABOVE the national average of 95.5%.

Waulud Primary School promotes positive attendance and punctuality. It is essential for all pupils to attend school on time and regularly and to avoid any absence.

Thank you, keep up the good work.

Computing and Online Safety TOP TIPS

Dealing with inappropriate 'Recommended' and 'Up Next' videos on YouTube

YouTube is a great online resource with lots of fantastic, free learning videos. But sometimes the videos that are listed in the 'Recommended' and 'Up Next' sections are NOT SUITABLE. They are the result of algorithms which sit in the back ground looking at what you are searching for and looking at.

There are a few things you can do to help what is listed

Go to the YouTube Home page and at the top you will see the recommended videos. You will see 3 little dots at the middle right of each video. For any you don't want, click on the dots and click 'Not Interested' You can then say why.

Have a look through the YouTube history with your child every so often to see what they have watched in the past. Just go to youtube.com and on the left hand side (or at the bottom if you're viewing via an app), click on 'History'. For any that are inappropriate, just click on the X.

To completely reset everything forget the steps above and simply click on 'Clear all Watch History' and 'Clear all Search History'. Remember: this isn't a solution, you will have to repeat this every so often.
