Summer Menu Update

As our days are getting lighter and hopefully the weather is starting to get warmer, it is time to swap our menu back to more summery dishes in our offerings. With new dishes and some classic favourites returning , there is something for everyone's taste . We have collaborated with feedback from our pupils to develop this menu, keeping our students at the heart of what we do.

“Super Sauce” This is now one of our key ingredients that will be used in many different dishes and is our base sauce for pizzas and many other dishes. Our new Super Sauce incorporates over 5 different vegetables to help get as much fresh vitamins into a child's diet as possible.
